

Town of Presque Isle
Special Town Board Meeting 2.18, 2026 10 AM
Town Office
8306 School Loop Road
Presque Isle, WI 54557

New Business:

1. **Approval of note to potential contractors for Pipke Dam work:** Supervisor Weber received a note from Kendra. 1 Eric Benn wrote a draft letter to potential contractors and sent it to DBS to finalize.
2. **HT Glass Estimates for replacement windows.** Supervisor Weber received a quote from HT Glass for two window glasses that need replacement in the library and one in the door of the Pipke Park Pavillion. Chairman Eschenbauch made a **motion** to accept the quote from HT Glass to replace the two window glasses in the library, Supervisor Wolter **seconded**. Carried and approved by all. The \$400 quote for the pavilion door was not accepted since the future of the door is uncertain
3. **Approve preliminary work for 'Operational Audit' with KerberRose:** Supervisor Weber made a motion to approve Operational Procedures be put in writing so we could have a meeting with KerberRose for review to see if they would have any suggestions to improve. Chairman Eschenbauch seconded. We will have a team meeting to get procedures together next Monday.
4. **Operational procedures for the Electronic Message Board:** The Board reviewed the Ordinance of Off Premise Signs as it pertains to electronic message boards. There was an agreement that the ordinance did not need changing. Discussion on operating procedures, for the sign the Lions purchased to replace the one that is operated by the chanber, took place. This subject will be on the March 5th Town Board meeting Agenda.
5. **Town Board Resolution Supporting a Comprehensive and Sustainable Transportation Funding Solution:** Chairman Eschenbauch made a motion to sign and accept Resolution 2026-2 Supporting a Comprehensive and Sustainable Transportation Funding Solution, Supervisor Wolter seconded, carried and approved by all.

Meeting adjourned.
