MINUTES FOR THE SPECIAL TOWN BOARD MEETING THAT WAS HELD ON MONDAY, NOVEMBER 9, 2026
MEETING LOCATION WAS THE INTERSECTION OF OXBOW ROAD AND POMEROY ROAD IN PRESQUE ISLE, WI. 54557

ATTENDING THE MEETING, Cathy Weber, Town supervisor, Allen Eschenbauch, Town Chair, and Brent Siegner, Presque Isle Snow Bunnies Trail Boss.

The meeting was called to order at 10:00 AM by the Chair

The meeting was an onsite visit of the Presque Isle snow mobile trail that is North of Oxbow Road and West of Pomeroy Road on land owned by the Town of Presque Isle. The meeting was to look at a proposed reroute that had been requested by the club at the regular Town Board Meeting on November 5, 2026 The reroute would use some trail that traveled North that had been abandoned in a previous reroute, and near the Northern edge of the Town property the trail would turn West and exit the Town property after approximately 100 yards of new trail. There is a need to reroute the trail because of recent developments on the private land that the trail uses that are necessitating the change of the trail on the private parcel. This change causes a need for adjustment of the portion of the trail on the Town property to meet up with the changes on the private part. The proposed trail was flagged and Brent reported it had been inspected by the county official having jurisdiction and had passed that inspection. While walking the proposed route Brent saw a better route and asked if the Town would be alright with that instead. Chair Eschenbauch made a motion to allow the Presque Isle Snow Bunnies to use the route on Town Land that Brent had suggested with the stipulation that the County person having jurisdiction inspect that route also. Supervisor Weber seconded the motion and it passed with 2 votes aye.

The meeting was adjourned at approximately 10:45 AM
